Subject: Licensee consent

Message:

Our Wireless Bureau has asked that you provide a copy of the consent of the actual licensee. Even though Sprint is a lessee, the license holder is the ultimate responsible party. Please also identify the frequencies of operation rather than the whole band.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of April 03, 2002 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
