Subject: Request for Info - File # 0035-EX-PN-2019

Message:

The program licensing rules require that the authorized area of operations must be "a geographic area that is inclusive of an institution's real-property facilities." Is the testing area legally Aptiv PLC's real-property facilities?

Transmission of signals in GPS bands is prohibited for use in a program license. Acknowledge that you will not be transmitting GPS signals under this request for license.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of April 01, 2019 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
