

**STATEMENT OF INTENDED USE OF A
TRANSPORTABLE LAND-BASED INMARSAT TERMINAL**

Aramco Services Company (ASC) is a service company organized under the laws of the State of Delaware, which, among other things, provides radio communication services to its parent corporation, Saudi Arabian Oil Company and affiliate companies, all of which are engaged in the production of petroleum and petroleum products. ASC has set up a response team of personnel and equipment which will be rapidly deployed in the event of an oil spill and will require instant and reliable communications. The portable INMARSAT terminals will be used for voice data communications from remote areas where no other adequate means of communications are available at temporary locations as specified on the accompanying application form.

These facilities will continue to be utilized at temporary locations throughout the Continental United States, Alaska, Hawaii, Puerto Rico, U.S. Virgin Islands, American Samoa, Guam, Wake, Midway, Baker, Howland, Endelbury, Canton, Jarvis and Palmyra Islands, the Northern Mariana Islands and the Jurisdictional Territory of Antarctica.
