Dear Sirs,

Enclosed please find FCC form 442 and my check \$35.00 . ARCO International Oil and Gas Company will soon receive a new INMARSAT terminal from ABLE COMMUNICATIONS CO., INC. in Houston and hereby request permission to activate this system at our facility in Plano, Texas for one or two days early in 1994 and from time to time in the future. This portable communications device will be sent to various places around the world in support of ARCO's oil and gas exploration activity. Between foreign assignments the system will be in Plano, Texas for service or upgrades. The first assignment will be in Ecuador for the first three months of 1994.

Thank you for your assistance and if you have any questions or comments please contact me at the phone number listed above or FAX number (214) 754-4668.

Best Regards,

William C. Malcom
