The 0371-EX-ST-2009 submission is a duplicate of 0372-EX-ST-2009. It had been started, but then got hung up during the payment phase. 0372-EX-ST-2009 was initiated because I didn't think 0371-EX-ST-2009 was completed/retained. The 0372-EX-ST-2009 submission should be processed as is and the 0371-EX-ST-2009 request may be deleted.
