DISMISSED-WITHOUT PREJUDICE

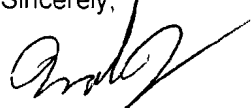

Dear Russell Blink,

This refers to application, File No. 0066-EX-PL-2012, for an experimental authorization.

You are advised that the Commission is unable to grant your application for the facilities requested. The frequencies requested are not suitable for space applications. NASA is currently evaluating its policy on authorization of frequencies for space launches. Please prior coordinate with NASA to identify frequencies that they will approve for vehicle launches. If you wish to refile please ensure that you include your NASA coordination and points of contact.
