The FAA requires additional information.
Please give the configuration of the setup, including:
Whether it is a swept signal or stepped.
The duration of each test.
If it is a swept signal, provide the sweep rate.
If it is a stepped signal, provide the number of steps, the step interval, and the step dwell time.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of November 21, 2013 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
