Message:

Hi. I received an email on 24 November from Nimesh Sangani about my form 442 renewal, requesting two items for file number 0992-EX-CN-2020.

For the first, I have attached to our application a description of the government testing we wish to perform.

For the second, I have gone to the Form 159 payment page to pay, but am presented with a "No Awaiting Payment" notice.

Please advise on how to proceed with payment.

Thanks!
