Subject: Request for Info - File # 1319-EX-ST-2019

Message:

1. Your purpose of operation says, "The operation is to launch a small satellite into low earth orbit." Is there a satellite? Does it transmit? Has anybody done orbital debris analysis?
2. Your previous applications listed two different antennas with different frequencies: Launch vehicle stage 1. Sub-orbital from PSC LP2 and Launch vehicle stage 2. Sub-orbital from PSC LP2. Are there different frequencies used during different parts of the launch?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of July 19, 2019 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
