Subject: Request for Info - File # 1319-EX-ST-2019

Message:

Respond to NOAA's comment below:

The Department of Commerce (NOAA) has asked the applicant for information regarding the launch of their satellite. Astra was apparently unable to provide the information. DoC needs that information in order to complete their analysis regarding some of their satellites. Until the applicant is able to provide the requested information DoC will not be able to complete their analysis so we cannot continue the processing of this STA until the information is provided.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of August 19, 2019 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
