Subject: Additional Information Request

Message:

1) Your STA mentions that "Asta plans to use receive-only antenna at the launch site and an additional downrange receive-only antenna at a location TBD." You need to provide a physical location in your STA for me to begin the coordination process. TBD location is invalid. Correct this ASAP and inform me via email.

2) You need to provide more detail in the "If Mobile, describe the area of operation" section. Enter the name of the nearest city(town) and state. If you're on a military base then provide the name of the base and the state in which the base is located.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of October 07, 2021 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
