Your application request for nationwide operations for filming purposes is too broad and appears to resemble a business service. Please narrow your geographic scope and clearly identify your experimental objectives. Otherwise, you should file for a service license with the Wireless Bureau.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of February 03, 2015 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
