Re: Astronet Corporation
Modification Of Part 5 Experimental License
Call Sign KA2XYO, FCC File No. 4379-EX-R-95

Dear Sir or Madam:

Enclosed for filing on behalf of Astronet Corporation ("Astronet") are an original and two copies of an application on FCC Form 442 to modify Astronet's Part 5 experimental radio station license (call sign KA2XYO) by moving its location from Lake Mary, Florida to Astronet's new headquarters in Duluth, Georgia. Astronet requests expedited consideration of this modification application so that it can begin using the above-referenced experimental license at its new headquarters by June 30, 1997. Concurrently herewith, Astronet is filing a similar application to modify another Part 5 experimental license (call sign KG2XBH) by moving its location from Lake Mary to Duluth.

Also enclosed is a check in the amount of the required filing fee of \$45. Please direct any correspondence or inquiries concerning this filing to the undersigned.

Respectfully submitted,

Michael Ray
