Re: Cingular Wireless Corporation
Form 703 File No. 0007-EX-TU-2004
Application to Transfer Control of Experimental Authorizations

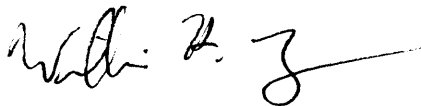

Dear Sir/Madam:

On March 18, 2004, a series of applications were filed seeking Commission consent for the proposed transfer of control of AT&T Wireless Services, Inc. ("AWS") and its subsidiaries, along with its interests in affiliates and other entities in which AWS holds substantial interests, to Cingular Wireless Corporation ("Cingular"). In particular, the parties filed the above referenced Form 703 seeking consent to transfer control of AT&T Wireless PCS, LLC, and the experimental authorizations it holds, to Cingular. Accordingly, please find enclosed a FCC Form 159 and a check made payable to the Commission for \$50.00 for the prescribed filing fee (Fee Code EAE).

Please date stamp the enclosed "Stamp and Return" copy as received and return to the courier for delivery to our office. Any questions regarding this application may be addressed to the undersigned.

Sincerely,

WILKINSON BARKER KNAUER, LLP
