

AT&T Wireless PCS, LLC
Call Sign WC2XUG
FCC Form 405
Section 5.63
Supplementary Statement

The instant application seeks renewal of Experimental Radio Service station WC2XUG. The authorization will be used to conduct propagation and other tests as described in the applications for authorization for WC2XUG at various locations designated on the existing license to help in the planning and development of 3G UMTS systems. Accordingly, grant of the instant application for renewal for a two-year term will serve the public interest, convenience and necessity.
