Call Sign KA2XAC
FCC Form 405
Section 5.63
Supplementary Statement

The instant application seeks renewal of Experimental Radio Service station KA2XAC. The authorization will be used to conduct propagation and other tests at various locations in the U.S. to help in the planning of broadband PCS systems to evaluate the need for additional sites. It will also be used to test new technologies. Accordingly, grant of the instant application for renewal will serve the public interest, convenience and necessity.
