Message:

Mr. Das

We have received your paper application for an experimental license and will need some supplemental information. You are requesting between 50-100 units. Please describe how these units will be used and how many will be operated at any given time at a single location. Please also specify which rule parts your equipment is intended to operate under for each band requested.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of June 05, 2003 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
