Subject: Additional Information Request

---

Message:

Please address the following questions/concerns and please inform me via email once that is complete.

1. Provide a radiation hazard analysis for the transmitter to verify minimal safe operating distances to ensure public safety during testing.
2. Please provide Stop Buzzer Point of Contact Information (Name and Telephone Number).
3. You mentioned C-UAS in your narrative. Will you be conducting any Jamming, Spoofing, and/or Electronic Attack? (Yes/No). Is this strictly detect and track?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of July 09, 2026 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
