Subject: Additional Information Request

Message:

In addition to previous email, please address the following questions and concerns:

- 1) ERP, Emission, Modulating Signal, and Necessary Bandwidth information is missing in your application. Fill that out.
- 2) If you are requesting just the GPS reradiator then you need to be more specific in terms of your frequency request. Do research and revise your frequency request.
- 3) In accordance with NTIA manual section 8.3.27, please address each item from 'a' through 'i' and attach your response (Yes/No) as an exhibit to the application.
- 4) Provide a detailed calculation(s) for the link budget specified on item 'f' of section 8.3.27 as a separate exhibit.
- 5) The geographical coordinates in your application plot outdoor along a roadside. Are you planning to operate the reradiator indoors within your manufacturing facility or outdoors?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of May 25, 2021 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
