

To Whom It May Concern,

Please accept this letter as confirmation that George Washington University has given permission to Axcera LLC to temporarily use MMDS channel E1 for an operational demonstration in the Washington Convention Center in Washington, DC from July 7, 2003 through July 11, 2003.

Axcera agrees to operate at a power level that will not cause interference to the University's MMDS broadcast signal outside of the convention center.

Signed,

James C. Cutright
Chief Engineer
GW Solutions, an Enterprise of
"the George Washington University"

Richard Schwartz
Director, Marketing and Product Management
Axcera LLC

Note: By using the George Washington University's ITFS "E" group spectrum, Axcera LLC must assume all legal and financial liability related to that use. GWU will not assume or share any liability associated with Axcera LLC's demonstration.
