

3560 Ocean Shore Blvd.
Ormond Beach, FL 32176
(703) 625-0017

To whom It May Concern:

We are adding to this existing license a new site in California, Maryland. We will be doing testing with the University of Maryland who has tested from this airport before.

We request that this be expedited as our testing is in early September.

Thank you for your consideration of this addition to our existing license.

Best regards,

Scott Foster

CEO
