Re: Final Progress Report and Surrender of License for WI2XYC

To Whom It May Concern:

Pursuant to the Special Conditions set forth in the experimental license with call sign WI2XYC, we are filing the attached Progress Report as of August 2021 on behalf of our client, Axonics Modulation Technologies, Inc. (Axonics). Our filing is accompanied by a request for confidentiality for the report.

Furthermore, in 2019, Axonics received equipment authorization for its Sacral Neuromodulation (SNM) System. Therefore, Axonics would like to surrender the above-referenced license for Experimental Radio Station Authority with call sign WI2XYC.

If there are any questions about this filing, please contact the undersigned. Thank you for your assistance.

Sincerely,

Terry G. Mahn
