Re: Axonn Corporation
Request for Renewal of Experimental Special Temporary Authority - Call Sign WA9XFU

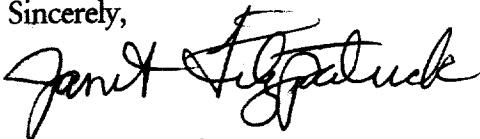

Dear Ms. Salas:

Enclosed please find a request for renewal of Axonn Corporation's ("Axonn") experimental Special Temporary Authority ("STA"), Call Sign WA9XFU, which is scheduled to expire on December 15, 1999. The original STA was granted June 15, 1999. The renewal requests authority to continue to operate by the same conditions as the original STA.

A check made payable to the Federal Communications Commission in the amount of \$45.00 is enclosed, along with an FCC Form 159, for the STA request. Axonn's original signature page will be submitted as soon as it is available.

If you have any questions regarding the enclosed request, please contact me at the number above.

Sincerely,

Janet Fitzpatrick
