

BAE SYSTEMS

May 23, 2000
Serial XXX-00-L0282

Dear Business Associate:

In order to clear up any confusion in connection with recent changes of name to our company, please note the corporate name changes as follows:

<u>Corporate Name</u>	<u>Effective Date</u>
Hazeltine Corporation	February 1, 1924
GEC-Marconi Hazeltine Corporation	April 15, 1998
Marconi Aerospace Systems Inc.	January 1, 1999
BAE SYSTEMS Aerospace Inc.	February 23, 2000

As you may know, on November 30, 1999, the merger of our former parent company Marconi Electronic Systems Ltd., into British Aerospace p.l.c. became effective and the resulting company became known as "BAE SYSTEMS."

Now, effective February 23, 2000, our name has changed from Marconi Aerospace Systems Inc., Advanced Systems Division, to:

**BAE SYSTEMS Aerospace Inc.
Advanced Systems**

Since this is merely a change of name, with the corporate entity remaining the same, it does not affect the rights and obligations of either party under any of our existing contracts or agreements.

Please note our new street address: "One Hazeltine Way." We have not moved. We are still at the same location in Greenlawn. We have just adopted a new street address in conjunction with celebrating the 75th anniversary of our division and honoring its "founding father" Professor Alan Hazeltine. Please also note that effective November 1, 1999, our Area Code changed from "516" to "631."

If you have any questions regarding these changes, please contact me. (Phone 631-262-8201; Fax 631-262-8166; or E-mail ed.onders@baesystems.com) Note, our new email address is effective April 17, 2000.

Very truly yours,

Edward A. Onders
