Message:

Ms. Nguyen:

This is to advise you that FAA coordination is in progress but has not been fully completed. Although 2 records have been concurred, there remains 3 records which are still being processed by FAA.

Accordingly, BAE Systems requests additional time to complete FAA coordination – until April 19.

BAE Systems hopes that FAA coordination will be completed prior to that time, and we will advise the Commission as soon as FAA coordination is completed.

Best regards,

Jeff Rummel
Attorney for BAE Systems
