File No. 0227-EX-PL-2007

Notification Pursuant to 47 C.F.R. §5.77

As the Commission is aware, BAE Systems Information and Electronic Systems Integration Inc. ("BAE Systems") is authorized to experimental facilities pursuant to an experimental license issued under File No. 0227-EX-PL-2007 (the "License").

For the above-referenced License, BAE Systems is currently authorized to operate using the "5M00G1W" emission designator. By this Notification, BAE Systems hereby advises the Commission that it intends to operate under the License using the following additional emission designator: 32K0F7E

In accordance with the requirements of 47 C.F.R. §5.77(a) and (b), BAE Systems hereby confirms that the addition of this emissions designator will not result in operations inconsistent with any term of the outstanding authorization issued under File No. 0227-EX-PL-2007. In addition, the addition of this emissions designator will not result in BAE Systems exceeding the maximum emissions envelope and radiated power level established in the existing authorization under File No. 0227-EX-PL-2007.

Should the Commission have any questions or concerns regarding this Notification and the utilization of the specified additional emissions designator in connection with this grant, please notify BAE Systems. In the absence of such notification, BAE Systems will proceed with such operation based on the representations in this Notification.
