

Exhibit 1

In connection with this renewal application, this is to advise the Commission of the following:

- The contract information associated with the Station WE2XBV license has changed. Please see the new contract number below.

It is requested that Special Condition 14 be revised as follows:

(14) This authorization is issued for the express purpose of conducting experimental operations described in the related application and required by the related U.S. Navy contract **N00019-18-C-1046** ~~N00019-09-C-0019~~. The use of this radio station in any other manner or for any other purpose will constitute a violation of the privileges herein authorized. Except as subsequently authorized by the Commission, this radio station shall not be operated after the expiration date of the contract designated in the related application and enumerated above.

- The primary Stop Buzzer has changed. Please see the new primary Stop Buzzer below.

It is requested that Special Condition 13 be revised as follows:

(13) Stop buzzers, **Richard Honeywell 631-662-6027** ~~Jim Milligan 631-262-8361~~ and BAE Systems Emergency Services Center 603-885-3842.
