Special Conditions:

- (1) In lieu of frequency tolerance, the occupied bandwidth of the emission shall not extend beyond the band limits set forth above.
- (2) Licensee should be aware that other stations may be licensed on these frequencies and if any interference occurs, the licensee of this authorization will be subject to immediate shut down.
- (3) Operation is NOT permitted on the frequency band 225-328.6 MHz and 335.4-399.9 MHz due to potential harmful interference to many Federal Government operations.
- (4) This authorization is issued for the express purpose of conducting experimental operations described in the related application and required by US Army contract number W911QY-08-D-0015. The use of this radio station in any other manner or for any other purpose will constitute a violation of the privileges herein authorized. Except as subsequently authorized by the Commission, this radio station shall not be operated after the expiration date of the contract designated in the related application and enumerated above.
- (5) The designated point-of-contact to terminate transmissions if interference occurs is Mr. Johnson, phone (603) 689-8630.
