

Exhibit 1

The 2 year experimental license under call sign WE2XAS was granted with a Special Condition 4, which stated as follows:

"(4) This authorization is issued for the express purpose of conducting experimental operations described in the related application and required by the U.S. Government contract number HR0011-05-C-0064. The use of this radio station in any other manner or for any other purpose will constitute a violation of the privileges herein authorized. Except as subsequently authorized by the Commission, this radio station shall not be operated after the expiration date of the contract designated in the related application and enumerated above."

This exhibit is submitted to advise the Commission that the above-referenced contract is no longer in effect. Notwithstanding this, the applicant respectfully requests grant of this renewal application to permit continued operation of the facilities in support of continued Internal Research & Development ("IR&D") pursuant to the parameters set forth in the license.
