File No. 0085-EX-RR-2009

Notification Pursuant to 47 C.F.R. §5.77

As the Commission is aware, pursuant to an experimental license issued under File No. 0085-EX-RR-2009, BAE Systems Information and Electronic Systems Integration Inc. ("BAE Systems") is authorized to operate on various frequency bands, including the following (the "Authorized Frequencies"):

4400-5000 MHz
5250-6000 MHz

For the above Authorized Frequencies, BAE Systems is currently authorized to operate using the "NON" emission designator. By this Notification, BAE Systems hereby advises the Commission that it intends to operate in the above Authorized Frequencies, using the following additional emission designator:

Additional Emission Designator: 5M00G1W

In accordance with the requirements of 47 C.F.R. §5.77(a) and (b), BAE Systems hereby confirms that the addition of this emissions designator will not result in operations inconsistent with any term of the outstanding authorization issued under File No. 0085-EX-RR-2009. In addition, the addition of this emissions designator will not result in BAE Systems exceeding the maximum emissions envelope and radiated power level established in the existing authorization under File No. 0085-EX-RR-2009.

Should the Commission have any questions or concerns regarding this Notification and the utilization of the specified additional emissions designator in connection with this grant, please notify BAE Systems. In the absence of such notification, BAE Systems will proceed with such operation based on the representations in this Notification.
