

NOTIFICATION OF CHANGE IN WIRELESS "STOP BUZZER" NUMBER

BAE Systems Information and Electronic Systems Integration Inc. ("BAE Systems") has before the Commission a pending application for a two year license under File No. 0202-EX-PL-2005 for experimental facilities operating at Merrimack, New Hampshire.

In the exhibits submitted to the Commission in support of this application, BAE Systems provided the wireless telephone number of Brian Egan, who is acting as "stop buzzer" in the event that any issues regarding interference arise during operation.

This is to advise the Commission that the wireless number of Mr. Egan should be changed in the Commission's records with respect to the above application.

Specifically, the number should be changed to: (603) 885-2449.
