

WF2XAM – NOTIFICATION REGARDING CONTRACT ACTIVITY SUPPORTED BY LICENSE

This Notification serves to confirm the current contract information associated with the operations under the WF2XAM license, as follows:

1.

Customer: US Air Force
BOA Contract No. FA8620-11-G-4029

- o Delivery Order 0027 (PMERRS), Period of Performance ends September 30, 2016
- o Delivery Order 0047 (C2EAST), Period of Performance ends September 30, 2017

It is noted that BAE Systems anticipates negotiating a new BOA in the near future which, upon execution, will result in a new BOA contract number and further extended periods of performance. If and when such new BOA is executed, BAE Systems will advise the Commission of all new applicable contract numbers, delivery orders and expiration dates.

It is further noted that it is BAE Systems' understanding that the prior contract POC, Kezzie Martindale ((937) 255-9767, Kezzie.Martindale@us.af.mil) was scheduled to retire on or about April 28, 2016. In addition, it is BAE Systems' understanding that due to personal issues, Ms. Martindale may not be continuously available for inquiries regarding this matter. Upon Ms. Martindale's retirement, it is BAE Systems' understanding that the following personnel should be specified as the contract POCs until further POC information is obtained:
