

Notification re: Contract

In connection with the recent grant of the renewal for Station WE2XUF (File No. 0251-EX-RR-2010), this is to confirm that the exhibit to the renewal application explained that the contract associated with the license is as follows:

Customer: Lockheed Martin Corporation
Electronics Parkway, Liverpool, NY 13088
POC: Bret Guilford, 315-456-1395
bret.guilford@lmco.com
Contract #: 4100050758"

However, the renewal grant did not specify the above contract.

This is to request that the Commission's records be corrected to reflect the above contract as the contract associated with this license. If necessary, this is to request that Special Condition 3 of the license be corrected to reflect the above contract.
