

NOTIFICATION

Pursuant to 47 CFR 5.77(a)-(b), BAE Systems Information and Electronic Systems Integration Inc. (BAE Systems) hereby notifies the Commission of its use of an additional emission designator - 528MW7D - in connection with its operation of the facilities authorized under Station WF2XNM. BAE Systems understands that it may proceed at this time with operation of the facilities utilizing this new designator because the following is true:

- The operating frequency will not more than the allowed tolerance;
- Emissions will not occur outside the currently authorized bands; and
- The ERP complies with the license and the regulations governing the same

Should BAE Systems desire to make this change a permanent part of the license, it will, pursuant to Section 5.77(b), file an application to permanently modify the license to reflect usage of the new emission designator.
