

ANTENNA REGISTRATION #3 – AIR-BASED/DOWNLINK TRANSMISSIONS

1. The blanket license facilities identified at Antenna Registration No. 3 are consistent with the facilities previously granted to, and operated by, BAE Systems pursuant to the following authorizations and applications, and notifications filed thereto:

0060-EX-ST-2006 – WC9XMH (application for 2 year license filed 7/31/06 under 0475-EX-PL-2006)

0593-EX-ST-2005-WC9XHT (application for 2 year license filed 3/28/06 under 0147-EX-PL-2006)
2. This Antenna #3 specifies air-based transmissions initiated from aircraft operating within the FAA-approved Flight Operations Area defined in the attached map, and directed to receivers at either the Litchfield Range or the Merrimack Range.
