

Exhibit 1

In connection with this renewal application for WF2XFP, this is to request that the following updates be processed upon grant of the renewal application:

Contract (Special Condition 5):

- The contract currently specified at Special Condition 5 (W911QY-08-D-0015) is no longer active.
- The renewal is requested to support Internal Research and Development activities only.
- Accordingly, it is requested that upon grant:
 - o Special Condition 5 be deleted.
 - o The Station Class be changed from “XC” to “XT” to reflect the fact that the renewal is requested to support Internal Research and Development and testing activities only.
