

NOTIFICATION OF CHANGE IN “STOP BUZZER” NAME AND NUMBER

Pursuant to File No. 0440-EX-ST-2009, the Commission granted an experimental STA to BAE Systems Information and Electronic Systems Integration Inc. ("BAE Systems") for experimental facilities operating in and around Merrimack, NH.

This is to advise the Commission that the “stop buzzer” name and number for the above-referenced STA grant has changed to:

Kristin Mikesell - (978) 436-1328

Accordingly, this is to request that the Commission's records for File No. 0440-EX-ST-2009 be updated to reflect this change.
