Mr. Kennedy:

On behalf of my client, BAE SYSTEMS Information and Electronic Systems Integration Inc., this is to confirm that the Start Date/End Date has been corrected on the application pending under File No. 0648-EX-ST-2004. Specifically, the Start Date now reads 1/1/2005, and the End Date reads 6/30/2005. We trust that the application - as currently submitted - no longer presents the concern identified in your November 9, 2004 e-mail.

Please let me know if you have any further questions regarding this issue.

Best regards,

Jeffrey Rummel

Attorney for BAE SYSTEMS Information and Electronic Systems Integration Inc.
