

CORRECTION REGARDING NAME OF “STOP BUZZER”

At Page 4 of Exhibit 1 to the Request of BAE Systems Information and Electronic Systems Integration Inc. (“BAE Systems”) for Special Temporary Authority under File No. 0662-EX-ST-2005, BAE Systems erroneously identified the name of the “stop buzzer” as “Gary Schay”.

BAE Systems hereby notifies the Commission that the name of the “stop buzzer” in connection with the STA Request is actually “Michael Latham”.

It is requested that this minor correction be associated with the file for the above-referenced submission.
