

Exhibit 1

In connection with this renewal application for WE2XCK, the following is noted – no changes are necessary to the grant, this information is for the Commission's information only:

- The Stop Buzzers for this experiment are currently as follows:

Primary: Randy Cumbie – (850) 244-6462
Secondary: Mike Kurecki – (850) 226-3089

NOTE: No change to the license or Station Class is required, as the experiment is not exclusively for contract activity, and is continued to be used for Internal Research & Development activity
