

NOTIFICATION PURSUANT TO 47 CFR 5.77(b)

Pursuant to Section 5.77(b) of the Commission's rules, this notification updates the license file for Station WG2XFW to provide a current listing of the transmitting equipment being utilized for this experiment:

Current List of Transmitting Equipment

Manufacturer	Model No.	Quantity
General Dynamics	RT-1799B	1
MIL Power	AM-7584D	4

Pursuant to Section 5.77(a), the licensee confirms that use of this equipment will not result in any deviation of the operating frequency more than the allowed tolerance, or any emissions outside the authorized band, or any deviation from the ERP.

Pursuant to Section 5.77(b), the licensee intends to submit an application for modification in the near future so that these changes can be incorporated as a permanent part of the license.
