Subject: Request for Info - STA File # 0006-EX-ST-2003

Message:

Mr. Menard:

The application is missing bandwidth and emission data. I can deduce the emission portion of the emission designator from the text fields, but I cannot infer the bandwidth from anything present in the application. The bandwidth data is necessary before I can coordinate your application with Federal government users.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of January 15, 2003 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
