I'm not sure how you were charged \$29 since the filing system fee is \$55 and is software coded to do so.

Please return to the ELS system and use the Form 159 button to submit the proper fee.

Confirmation Number: EL285330

My question:

I went to form 159. Filling in confirmation number (EL285330), file number (0002-EX-RR-2005). It indicates that there is not file exists. Please help. Thanks.
