

NOTIFICATION

In accordance with Commission practice and policy, this is to notify the Commission that the facilities previously authorized to be operated by BAE Systems under File No. 0059-EX-RR-2008 are to be operated in support of Internal Research & Development (“IR&D”) activities of BAE Systems, pursuant to the same technical parameters, and subject to the same terms and conditions as authorized in File No. 0059-EX-RR-2008

Consistent with Commission practice and policy, BAE Systems understands that the submission of this Notification via the ELS shall constitute authority for operation in support of the above-identified IR&D activity, under the parameters authorized in File No. 0059-EX-RR-2008, unless instructed otherwise by the Commission.

In addition, this is to notify the FCC that the “Stop-Buzzer” for this license, and for any Commission inquiries related to this license, has changed to the following – please update the Commission’s records accordingly:
