Mr. Young:

The location at the Manchester Airport at which we would be operating is within 250 meters of:

42 degrees, 55.5 minutes N

71 degrees 26.1 minutes W.

For the STOP BUZZER, use Henry J. Wisneski at 603-645-5663. This is also the number at which you can reach me with other information on this application.

Thank you,
Henry J. Wisneski
