Subject: FCC File# 0029-EX-RR-2009

Message:

This is to confirm that Baron Services, Inc. will accept grant of its renewal subject to the following: (1) elimination of experimental operations in the 5600 ? 5650 MHz portion of the 5400 ? 5650 MHz band currently authorized under WC2XMU; and (2) coordination with DoD prior to conducting experimental operations in the 9300 ? 9600 MHz band.
