Subject: RE: 2690 MHz -> 2689 MHz

Good Morning, Mr. Hochwald,

Here is the application file number: 0008-EX-PL-2007 or confirmation number:EL698122. Let me know if you have any questions.

Thanks,

Joe Trevino

Subject: 2690 MHz -> 2689 MHz

Dear Jose,

Pursuant to our conversation today, I request that our application for the frequency range 2690-2700 MHz be changed to 2689-2699 MHz.

I apologize that I cannot find the application number at the moment. I think it begins with 0008-XBX-.....

Thank you,
Bert Hochwald
