DISMISSED-WITHOUT PREJUDICE

Dear Mr. Knapp:

This refers to application, File No. S-3110-EX-97, request for special temporary authority (STA).

You are advised that the Commission is dismissing without prejudice this application as moot, since renewals and transfers of controls for all the stations mentioned in the STA have been granted.

Sincerely,

A handwritten signature in cursive script, reading "Paul L. Marrangoni".

Re: Special Temporary Authority Request
Call Signs KE2XBK, KO2XAB, KO2XAD, KO2XAE, and KB2XLA

Dear Sirs:

Pursuant to Section 5.56 of the Commission's rules, 47 C.F.R. 5.56, Bellcore hereby submits its original and two copies of a request for a Special Temporary Authority (STA) for a period of one hundred-eighty (180) days. For the reasons set forth below, Bellcore requests that the Commission grant STA authority to permit Bellcore to continue to operate its Part 5 licenses referenced above while the Commission reviews Bellcore's Form 703 Transfer of Control filing. A grant of the STA would also have the effect of extending the time period for filing a renewal.

Bellcore seeks this authority to preserve the continuity of its research and experimental work efforts on each of its Part 5 licenses which are used for the following purposes.

KE2XBK - an experimental specific C and Ku band satellite earth station license.

KO2XAB - an experimental development license for mobile use.

KO2XAD - an experimental development license for mobile use.

KO2XAE - an experimental developmental research license consisting of a wide range of frequency bands.

KB2XLA - an experimental development fixed and maritime license.

As these licenses will only be used by Bellcore personnel, as part of their on-going research work program, a temporary continuation of the work program while the

Commission considers Bellcore's Form 703 filing should not be contrary to the public interest. Copies of these licenses are enclosed for your convenience.

Notwithstanding the advance notice requested by the Commission's rules¹, the complicated nature of the sale of Bellcore by the Bell Operating Companies to Science Application International Corporation (SAIC), requiring, as it did, various state regulatory approvals, which may or may not have been granted before any sale could be consummated, impeded Bellcore's ability to meet the sixty (60) day timetable.

For the foregoing reasons, Bellcore believes that a grant of the STA requested above is in the public interest. A check in the amount of \$ 225.00 is attached in payment of the statutory filing fee, pursuant to Section 1.1107(a) of the Commission's Rules.

Any inquiries pertaining to the enclosed filing should be directed to the undersigned.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael J. Knapp", written in a cursive style.

Michael J. Knapp
