Subject: FCC File# 0979-EX-ST-2012

---

Message:

Please verify the following information:

1) The emission designator: What is X?

Cases not otherwise covered.

2) The information in exhibit ATT letter of consent, FCC requests consent letters from all the licensee carriers in the proposed area in order to process the application.

I am only using ATT Frequencies to this proof of concept

3) Name and phone of person will terminate the system if having interference occurs.

Chuck Bokath 404-386-8468 (i believe this information is included in the app)
