Subject: Request for Info - File # 0682-EX-CN-2026

Message:

- Per AFTRCC requirements, applicants must obtain AFTRCC coordination approval before submitting an experimental application if they intend to operate in the 2360-2395 MHz frequency band. If your company does not obtain AFTRCC coordination approval, please exclude this band from your application. If your company would like to coordinate with AFTRCC, you may access their website <https://afrcc.org/> and submit AFTRCC approval to the exhibit of this application.
- Please confirm that Joowon Kim, Chief Technology Officer (joowon@blinkly.com, 765 418 7455) is designated as the stop buzzer, responsible for shutting down operations if interference occurs.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of June 25, 2026 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
